December 2021

Advent is a most wonderful time of year. The meaning of Advent is "coming." The coming of our Lord, Jesus Christ, to give us salvation. It is with great joy we welcome the "Baby King."

While we get up our Christmas decorations and start putting together our naughty and nice list that we need to buy for, please take some time to re-read the Christmas story: Luke 2. As you do your daily devotions let yourself go deeper into the Christmas viral end. Let Hope, Joy, and Peace fill your heart and soul.

As we come to the end of another year many prayers have been sent up to God, with many answered prayers. Remember to thank God for so many blessings we have had this year.

2022 is promising to be a good year. Let's finish this year on our knees getting our attitudes right and end the year with God.

May you all have a very Merry Christmas with safe travel and lots of love.

God's Blessings,

Pastor Galen
