SonSurf Beach Bash VBS was a great time!

The children as well as the adults had a fun time with snacks, games and fun crafts with VBS this year. Thank you ladies, the youth leaders and Pastor Galen for your help in making this VBS such a great time for all! Looking forward to next year!

July 2022

Hello, summer is now in full swing, and the church is still open for your attendance. It has been a great summer so far looks to be even better as we move along. Our church attendance is not too bad, but I need to see your smiling face in the sanctuary to keep my spirits up.

I am working for a few new ideas for this fall, so if you have any ideas on programs, sermon ideas you would like to hear, special music, or other input, now is the time to let me know.

We look forward to you being with each Sunday morning. Your week will get off to a much better start if your week starts in church with God and then move on with your blessed week.

John Wesley's thought for this month: "There is in every believer, both the testimony of God's Spirit, and the testimony of his own, that he is a child of God."

God's Blessings,

Pastor Galen

BIKE4ALZ GROUP

We are proud Hilltoppers--that's Western Kentucky University students! Together, we have teamed up to raise money for Alzheimer's research. Why we ride and what keeps us going may vary from member to member, but Bike4Alz has one goal: to end Alzheimer's Disease. Our fraternity chapter started this mission, and we proudly pedal on for the memories made along the way. They were hosted by our church on June 23, 2022. These young men were great to visit with and were great representatives for their cause.
