Why Flag Day is important

Flag day is June 14th

America was founded as a “nation under God,” and has been looked up to by other nations for over two hundred years. Unfortunately, other countries—and some of our own citizens—are disgruntled with America today. Even though our reputation has taken some hits, we’re still a strong country with high ideals and proud people.

There’s a simple way you can help show that to the world—by flying the flag. Every time you put a flag out, you’re saying, “I’m an American and proud of what this flag

Represents.” The flag stands for “life, liberty and the pursuit of happiness,” for religious freedom, and for other rights that many nations lack. The flag represents our history and our goals for a better future for all.

June 2022

It is summertime already! Please have a great time whether working, swimming, fishing, going to the lake, or taking a vacation know that we as a church are still here and looking forward to your return. Stay safe and relaxed.

Scripture reading for this month: Philipians 4:6-7 NIV Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. (7) And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.

It is very important to find peace of mind and heart during these days of high stress. God's love is all forgiving and loving so for us we need not stress over small things as he will take care of us show us the way through.

Our Sunday evening showing of The Chosen moving was a great success! It is a fantastic movie and was very well made and puts a personality to the people from the Bible. This fall we will be starting Season 2, again on Sunday evening with a light dinner. If you have any questions about the Bible, this is a great way of looking into the answer and of course I will also be there to answer your questions.

Have and enjoyable summer season,

God's Blessings,

Pastor Galen
